

# System downtime

Our systems and ATMs are down owing to a technical issue with communication lines beyond our control.

We are looking into the matter urgently and working on resuming normal service within a few hours.

Please use Personal Internet Banking and HSBC Net for your transactions and other non-HSBC ATMs for cash withdrawals.

We apologise for any inconveniences caused.

Thanking you for your understanding.

For any queries, please call us on (230) **203- 8391, 203-8342, or 203- 8310.**

Together we thrive
